VANDU Empowerment's

Research and Consultation

"Invaluable...nothing replaces the voice of experience" -Researcher

Here's how it works:

- 1) **YOU** book your free consultation
- 2) **WE** review your needs and provide an estimate for either a one time session or an ongoing relationship
- 3) **YOU** increase the reach and integrity of your program or research project because we have access to social networks others do not and are comfortable accessing dangerous areas
- 4) **We** provide opportunity for employment ready drug users

Did you know that VANDU Empowerment was instrumental in identifying the spread of pneumonia amongst drug users. By consulting with our membership (2000 users) we can quickly pinpoint key health risks and immediately circulate harm reduction information.
