VANDU Empowerment's

Presentations and Public Speakers

"...invaluable, nothing replaces the voice of experience"- researcher

Here's how it works:

YOU call for a free consultation

WE tailor a presentation based on demographics, previous exposure and topics you wish to have addressed

YOU receive first hand knowledge delivered by powerful presenters

We provide supportive opportunities for employment ready drug users in the Downtown Eastside

We present to medical professionals, high school students, community developers at conferences, public events and to television, radio and film...
